Farbe  
plosion

The logo consists of the word 'Farbe' in a multi-colored, rounded font (orange, red, green, purple, blue) and 'plosion' in a black, cursive script. A red splatter is positioned between the two words. A blue brushstroke starts from the bottom of the 'p' in 'plosion' and extends to the right, ending in a blue splatter. There are also several green splatters above the 'Farbe' text.
